Conference Grants Statistics ?

cHiPSet Conference Grants

Conference Grants Track Record:

- 4 grants
- EUR 4,567 spent in total

BUT.....

- We had 8 grants !
- EUR 10,000

Why is that ?

- Window of opportunity too short?
- Young researchers from IT countries do not attend conferences?
- Young researchers from IT countries have plenty of travel money already?
- Any further ideas?
